Face Covering Policy- Customers

Objective

The 62B District Court employees contribute to the Court's reputation in the way they present themselves. Ensuring access to justice for all, means safety for all. The Court strives to maintain a workplace environment that functions well and is free from unnecessary safety hazards.

All customers are required to wear face coverings while in the courthouse, regardless of vaccination status, unless face coverings cannot be medically tolerated. Social distancing is required.

Procedures

The 62B District Court's Chief Judge, Court Administrator, or Director of Probation may exercise reasonable discretion to determine if there is a safety concern or a breach of this policy, he or she may require the customer to leave the courthouse. However, staff will be instructed to provide them with an alternative means to complete their court business.

Basic Guidelines for Face Coverings

As part of that effort, the Court requires all customers to always wear face coverings while in the courthouse.

- Customers must provide their own face covering.
- Face coverings are not required if they cannot be medically tolerated but social distancing is still required to enhance safety.

Effective: August 10, 2021

Honorable Amanda Sterkenburg
